

Creation Science 101

Workbook

2008

Please Note

This workbook is for your own benefit. They should aid you in following along with Dr. Hovind during these classes.

Please do not send these back to us as they are for your use. You may use the answer key in the back of this notebook to help you with any questions you have trouble answering.

Feel free to call if you have any questions.

-Enjoy!

CS 101

Directions: Follow along with Dr. Hovind and fill in the blanks.

Lesson 1

1. "All Scripture is given by _____ of God, and is profitable for _____, for _____, for _____, for _____ in righteousness" (II Timothy 3:16).
2. A definition of the word _____ is to "breathe in."
3. The four great fundamental questions of life are
 - A. _____
 - B. _____
 - C. _____
 - D. _____
4. The two worldviews are two _____ ways to answer these four questions.
 - A. _____ (humanist) Worldview
 1. _____ is god and answers to no one.
 2. A _____ made this world from _____.
 - B. _____ Worldview
 1. _____ is God and judges all men.
 2. The world was _____ by God.
5. Charles Darwin's book on evolution was published in _____.
6. "The conclusion I have come to is this: the law of _____ is incompatible with the law of _____. Nay, the two laws are at _____ with each other." –evolutionist and writer of the foreword for the one-hundredth-anniversary printing of *Origin of the Species*, Sir Arthur Keith
7. The purpose of evolution is to _____ God.
8. The verse that answers the four great questions of life is _____.
9. While still in heaven, Satan was known as _____, which means the _____ one. He was not just an angel, but a _____.

Match the three Ds of Satan to the following verses.

A=Doubt

B=Deny

C= Deify

10. _____ "And (the serpent) said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden" (Genesis 3:1)?
11. _____ "For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil" (Genesis 3:5).
12. _____ "And the serpent said unto the woman, ye shall not surely die"(Genesis 3:4).

13. The morning star is _____.

14. The five "I will's" of Satan are

Isaiah 14:13

A. I will ascend into _____.

B. I will exalt my throne above the stars of _____.

C. I will sit also upon the mount of the _____, in the sides of the north.

Isaiah 14:14

D. I will ascend above the heights of the _____.

E. I will be like the most _____.

15. To Satan's dismay, we are all _____ in the _____ of God.

Lesson 2

1. Satan has always mixed _____ with the _____. He only partially quotes the Scriptures.
2. We can determine good from bad by reading _____ word. We can also gain some wisdom about living by talking with someone older and wiser.

If there is no God, right and wrong cannot be determined because there is no standard or example to compare or live up to.

2. There are six different meanings of evolution—only one of which is scientific.
 - A. _____ origin of time, space, and matter (also known as the “big bang” theory)
 - B. _____ origin of higher elements from hydrogen
 - C. _____ origin of stars and planets
 - D. _____ origin of life
 - E. _____ origin of major kinds; change from one kind to another kind
 - F. _____ variations within kinds (only this one has been observed)
3. Cosmic, chemical, stellar, planetary, organic, and macroevolution are *really* _____ (they have not been proven or observed).
4. Microevolution is the only meaning that is _____.
5. Evolutionists (humanists) try to blur the border between _____ and _____ evolution.
6. The first universal law of thermodynamics is this: _____ and/or energy cannot be _____ or _____.
7. Thermodynamics (thermo/dynamics) means _____.
8. Matter cannot be created or destroyed; it can be _____ from one form to another.
9. The first law of thermodynamics raises the question of how the world got here. The two choices are
 - A. _____
 - B. _____
10. The statement, “Humanists regard the Universe as self-existing and not _____” is taken from the first _____ (1933).
11. _____ was one of the signers of the above publication; he also became very influential in framing the modern philosophy of the education of teachers. As a result, humanism flooded the educational system.
12. The current evolutionist way to explain how the world got here through time, space, and matter is called the _____ theory.

13. The word that comes from two Latin words and means a single, spoken sentence is _____.
14. God _____ everything into existence. This is called _____ power.
15. All of the major branches of science were started by _____. (Matthew Maury, considered the first modern oceanographer, discovered ocean currents because of Psalm 8:8. The inventor of the MRI is also a creation scientist.)
16. Three questions that evolutionists cannot explain or answer are
- A. Where did the _____ come from?
 - B. Where did the _____ come from?
 - C. Where did the _____ come from?
17. "But the day of the Lord will come as a thief in the night; in which the heavens shall pass away with a **great noise**, and the elements shall melt with a fervent heat, the earth... shall be burned up" (II Peter 3:10).
- This verse can be called the _____ of the Bible.
18. If the evolutionists' big bang theory were true, the matter in space would be _____. Instead it is _____. There are clusters of stars, then great _____.
19. The second universal law of thermodynamics states, "Everything tends toward _____."
20. "And, Thou, Lord, in the beginning hast laid the foundation of the earth; and the heavens are the works of thine hands: They shall perish; but Thou remainest; and they all shall _____ as doth a garment" (Hebrews 1:10-11).

Lesson 3

1. In 1925, several states passed laws prohibiting the teaching of _____ in schools.
2. The _____ trial, a famous trial in the year _____ took place in _____, Tennessee. It involved a newspaper advertisement placed by the ACLU. The ACLU wanted to test and defeat the above-mentioned newly passed laws.
3. A substitute biology teacher _____ answered the advertisement. He was willing to admit to teaching evolution in the classroom, although he wasn't sure if he actually had. He was defended in court by an _____ who was an attorney named _____.
4. The Christian (day-age creationist) that was deeply involved with the opposing side of this case, who was a three- time vice-presidential candidate, a great speaker, and who also had a college named in his honor after his death, was _____.
5. The teacher was found _____ and _____. The conviction was later _____ on _____.
6. In 1968, the last law banning _____ was _____.
7. There has never been a law banning _____ from being taught in public schools.
8. Around 1981, Arkansas passed the law of " _____," which meant if evolution was being taught in public schools, creation must also be taught.
9. The _____ challenged the law, stating it was unconstitutional and a violation of the First Amendment.
10. Judge Overton of Little Rock, Arkansas ruled that the schools could not _____ or _____ teachers to teach creation. If the teachers, on the other hand, wanted to teach creation, they could.
11. The Supreme Court ruled that states cannot _____ or _____ teachers or public schools to teach creation. (This does not mean that creation or the Bible cannot be taught in public schools if teachers wish.)
12. In the landmark ruling of 1963, the _____ removed _____ prayer from the schools.
13. Teaching of _____ is essential for communism: without it, communism would fall apart.
14. " _____ is the goal." – _____, founder of the ACLU.
15. The ACLU stands for: _____.
16. The foundation of the ACLU organization is the promotion of _____.

17. _____ is one of the biggest hindrances to _____.

18. Students have the right to be _____ from classes that teach something contrary to their religion.

"But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea" (Matthew 18:6).
—Jesus

19. "_____ the _____" is a play/movie based on the 1925 Dayton, Tennessee trial (the Scopes trial). Reviews written regarding it state that it is not an accurate portrayal of the facts or tone of the actual event and possibly intentionally misleading.

20. In _____, the "space race" was on. _____ was the first satellite in space. This was accomplished by the _____.

This event was used as propaganda by evolutionists, humanists, and communists in America.

21. The year _____ marked the one-hundredth-year anniversary of Darwin's book. More efforts were put into spreading the teaching of evolution throughout the school systems.

22. We believe this was the first time the government gave _____ to produce schoolbooks.

23. _____ series was the first book/series to really emphasize evolution.

24. In 1962-1963 _____ continuously filed lawsuits regarding the dismissal of mandatory prayer in schools until finally she was granted a hearing by the Supreme Court. The Supreme Court ruled in her favor. In this landmark decision, mandatory prayer was removed from schools.

25. Her illegitimate son _____ was in _____ grade at the time of the trial. In later years, he was saved and wrote the book "_____".

26. _____ are absent from the philosophy of _____.

27. The easiest way to remember the imagined sequence of evolution is by using the word FARM which stands for F _____ A _____ R _____ M _____.

28. The "hero" for evolution is _____.

29. _____ means "to know" or "the systematized knowledge derived from observation, study."

30. In 1799, George Washington was bled twice by his doctors before he died. They believed in the _____ of _____, which dominated the theory of health and illness from the time of Empedocles (490-430 B.C.) until 1860, right before the Civil War, when bloodletting was finally ended.

Lesson 4

1. According to the Bible, the world is about _____ years old.
2. _____ is God Almighty in the flesh.

"And he answered and said unto them, Have ye not read, that he which made them at the beginning made them male and female" (Matthew 19:4).

3. This is just one of the verses in the Bible that indicates what? _____
4. Death came into the world by _____.
5. The last enemy that shall be destroyed is _____.
6. Jesus Christ can be called the _____ Adam.
7. Name the two men who proved that spontaneous generation is false. _____ and _____
8. Who did Adam's sons marry? _____
9. Name four reasons why Adam's sons married who they did (as named above).
 - A. _____
 - B. _____
 - C. _____
 - D. _____
10. Given the facts of who Adam's sons married, how was it possible, at this point in time, for their children to be born in good health?

11. _____(number) authors wrote the book of Genesis.
12. What phrase was used when one author left off and the next began? _____
_____.
13. _____ was the editor of the book of Genesis.
14. All of the authors of Genesis were _____.
15. What is the single Hebrew letter that represents God? _____
16. In what area's topography can you clearly see this particular letter? _____
17. What person promised he would put his name in this specific place? _____

Lesson 5

Who cares about the age of the earth?

1. The _____ of the book of _____ is at stake.
2. The _____ of _____ is at stake. _____ cited _____ times.
3. Nearly every other book in the Bible refers to _____ (_____ times in the _____ Testament alone).
4. The question of "how old is the earth?" is the first obstacle _____ have to face.
5. There are numerous _____ ways to show that the universe is not _____ of years old.
6. This man wrote "An Essay on the Principle of Population." He was one of the people who influenced Darwin's thinking. _____
7. Who coined the phrase "survival of the fittest"? _____
8. The first prophecy of the Messiah is in the book of _____ (3:15).

Match the following dates or time periods with the corresponding population number.

- | | |
|-------------------------|-------------------|
| 9. ____ 1962 | A. 1 billion |
| 10. ____ time of Christ | B. over 6 billion |
| 11. ____ 1800 | C. ¼ billion |
| 12. ____ 1985 | D. 5 billion |
| 13. ____ Today | E. 3 billion |
14. A _____ generally consists of stars in big clusters.
 15. In which galaxy do we live? _____
 16. _____ is the brightest star, not the closest.
 17. All of the ancient astronomers said the star (listed above) was _____ in color, but this star is _____ today.
 18. Our solar system consists of formerly _____ planets (now officially eight), over sixty moons, and the _____.
 19. The name of a moon with a strong magnetic field encircling Jupiter is _____.
 20. The rings encircling Saturn are made of _____ with some _____.
 21. According to the _____ law, the force of attraction between two objects is inversely proportional to the square of the distance between them.
 22. The phenomenon on earth caused by the moon is known as the _____.

23. Some factors that indicate the universe is young are

- a. _____ graphing shows that the earth is young.
- b. _____ are spinning.
- c. Distance from the earth to the moon is _____.
- d. _____ is cooling off.
- e. _____ is way too hot.
- f. _____ still has rings.

Lesson 6

1. _____ can be made of snow and ice, rock, iron, nickel, or all of these things.
2. There are two kinds of comets:
 - A. _____ comets come around and back again – these appearances *can be* predicted (example: Halley's Comet). Comets have a life expectancy of less than 10,000 years.
 - B. _____ comets pass by just once. We don't know where they come from or where they're going – their arrivals/departures *cannot* be predicted.
3. An astronomical unit (AU) is the distance from the _____ to the _____.
4. _____ is farther away from the Earth than any now officially recognized planet. It is 39 AU away.
5. The word _____ means to think. That word or a form of it is only used twice in the entire Bible.
6. A _____ is a person who believes in God.
7. The _____ is one factor that affects the amount of carbon 14 in the atmosphere.
8. There are no _____ on the ocean floor, only areas of _____ and _____.
9. The earth's rotation is slowing down. Three factors causing this are
 - A. the liquid center or _____
 - B. the _____ or tides
 - C. the _____ patterns
10. _____ is the process by which deserts grow.
11. The _____ Desert, right now, is growing _____ miles a year.
12. Oil, also called _____, is the end result of _____ changing due to _____ and _____.

Lesson 7

1. The oldest living tree in the world is _____ years old and is located in southern California.
2. The oldest living tree is nicknamed the " _____ tree."
3. Tree _____ dating is not an exact science.
4. The largest reef in the world is located in _____.
5. The name of the largest reef is the _____.
6. The Niagara River runs into Lake _____.
7. The valley at the bottom of the Niagara Gorge is _____ long.
8. The erosion rate, currently, of Niagara Falls is _____ feet a year.
9. Oceans are getting _____ every day/year.
10. The oldest water-conversion method (process of obtaining fresh water from ocean water) is known as _____. Julius Caesar obtained drinking water for his troops by using solar evaporators to distill water from the Mediterranean Sea.
11. Right now, what is the percentage of salt in the oceans? _____
12. Missouri has _____ known caves.
13. Stalactites and stalagmites are also known as _____.
14. True or False: It takes millions of years for flowstones to form.
15. Older, past languages were more _____ than languages today – the vocabulary was larger in sum; it contained more _____ words.
16. All languages of the world have similar _____.
17. What type of calendar is thought by some to be older than the Chinese calendar?

18. The _____ calendar is stretched out longer than it should be due to history books putting the _____ reign of power in _____ order. Some actually ruled at the same time, during the same period.
19. National statistics show that _____% of children lose their faith through _____.

Lesson 8

1. During the late 1950s and early 1960s, it was thought to be impossible to land on the moon because of the _____ of the _____.
2. In the late 1960s it was proven that only 1/_____th of moon dust is from _____.
3. Scoffers are ignorant of three things:
 - A. the _____
 - B. the _____
 - C. the _____ of God (II Peter 3:3-7)
4. The gap theory stems from the belief that there is a "gap" between _____ and _____ in Genesis.
5. _____ came into the world because of Adam's sin.
6. _____ death is the separation from the body.
7. _____ death is the separation from God.
8. The Hebrew word _____ means to fill.
9. The Hebrew words _____ and *shoov(b)* means to do again.
10. In 1611, replenish meant ____ ____.
11. In 1650, replenish started also meaning ____ ____ ____.
12. The phrase "the sons of God" (*bene elohim* and *bar elohim*) in the Old Testament is a clear reference in many cases to _____ and was so translated by ancient Jews in their Septuagint translation of the Old Testament.
13. Two problems with the gap theory are
 - A. It is not the _____ of the church.
 - B. It violates _____.
14. Two theories that people have proposed to add billions of years into the Bible are
 - A. the _____ theory (proposed by Thomas _____ in the 1800s)
 - B. the _____ theory (apparently first promulgated by Arnold Guyot in the mid-nineteenth century)
15. The three heavens are
 - A. _____
 - B. _____
 - C. _____
16. Today's atmosphere has _____ layers; in the past it had _____.

Lesson 9

1. The _____ theory states that there was a _____ of _____ above the atmosphere.
2. _____% of the earth is covered by water today.
3. If there was a layer of _____ above the atmosphere, certain electromagnetic frequencies such as _____ and _____ could not penetrate it. _____ light and _____ waves would be able to go right through it.
4. The canopy above would increase _____ and _____ out the sunlight (giving you none of the harmful effects of the sun).
5. The Bible also states that there was a layer of _____ beneath the _____ of the _____.
6. The term _____ of _____ refers to the heat that is released in the changing of a vapor to a liquid.
7. One objection to the _____ theory: enough _____ to cover _____ condensing would fry the world.
8. Errors in the above statement:
 - a. assuming that the Floodwaters would have to cover _____, even though, before the Flood, it didn't exist
 - b. assuming that all of the water came from _____, even though the Bible clearly says the earth was founded upon the waters
9. Another objection to this theory comes in the form of a question: "What held the water up there?" Once again, they assume that all the water came from the _____, when actually most of the water came from _____ the _____ of the earth.
10. The earth still displays scars from the last part of the above-mentioned statement – such as the _____ Fault, which is located in California and is _____ miles long.
11. The _____ is what happens when something (like glass or ice) lets light into a system, the energy is absorbed by the ground or surface, and re-emitted as a different kind of energy wave—which is then trapped in the system.
12. A layer of _____ or a layer of _____ above the earth are examples of what could cause the _____.
13. Skeptics also believe that if the earth had a _____ of _____ overhead it would have caused a _____ effect – heat would not be able to escape, thus, it would get hotter and hotter...
14. Two things that indicate dinosaurs had a different environment to breathe in are smaller _____ and smaller _____.

15. _____ is petrified tree sap.
16. The air we breathe in now is _____% oxygen.
17. Air prior to the Flood was _____ / _____ in oxygen and the atmospheric pressure was _____.
18. Professional sports teams have found that healing occurs twice as quickly in a _____ chamber as it does in our normal atmosphere.
19. The largest chamber in America is located in _____, _____.
20. The _____ for _____ is a private organization, started by Andrew Carnegie, aimed at keeping the teaching of creation out of schools.
21. The current residing president of this private organization is _____.

Lesson 10

1. The average age of people before the Flood was _____ years. Today, the average age is between _____ and _____ years.
2. What was the name of Enoch's son that meant "when he dies, it shall come"?

3. The great span of time that _____ lived showed to all God's _____.
4. Reasons why people lived so long prior to the Flood:
 - A. There was a _____ pool – no _____.
 - B. A _____ of _____ protected them from the harmful agents of the sun.
 - C. They had a _____: Food was not affected by harmful agents of the _____. Soil was _____ and not depleted of anything.
 - D. There was also a _____.
5. The lowest _____ is the only bone that will regenerate in the body (as long as the periosteum is left intact).
6. The Bible teaches that man was made in _____ image.
7. Public school textbooks teach that early man was an _____like creature or a cavemen.
8. In Genesis, it is stated that _____ did live prior to and shortly after the Flood.

Match the following, which were, at one time, "proofs" of evolution. They were later either exposed as fraud or proven to be incorrect in theory.

- A. Neanderthal man
- B. Nebraska man
- C. Piltdown man

9. _____ The only evidence of this finding was *one* tooth; an entire skeleton was built up around it. This tooth was supposedly a cross between human and animal (ape). Later, it was found that it belonged to a specific type/breed of pig.
10. _____ Found in the Neander Valley, this was listed as a missing link because the back was curved or bent over. Around fifty years ago, it was discovered that the back was curved or deformed due to a disease of some sort (possibly arthritis, rickets...). Although proved untrue, this is still listed in textbooks today as proof of evolution.
11. _____ This was a total fraud that was exposed in 1953 when studies of the original fossils were done. Pieces of a human skullcap and the jawbone of an orangutan were treated with acid, stained with chemicals, and the original teeth in jawbone were filed down. The skullcap fragments and the jawbone were purposely buried near each other in a gravel pit near London, England. There was an article regarding this hoax in the October 1956 issue of *Reader's Digest*.
12. As people age, skull bones tend to grow _____ or _____.
13. The larger the _____ in the body, the larger the bone (this is caused by the pressure of the _____ on the bone, making the bone grow larger).
